

Public School Choice

The No Child Left Behind (NCLB) Act requires each school identified for Title I School Improvement to offer Public School Choice within the district to all students who attend the identified school. Since both middle schools in the district are identified as being in School Improvement, there is no Public School Choice available for those students. Students in Verdigre Elementary had the option of attending Clearwater Elementary or Orchard Elementary School, since these schools were not in School Improvement.

AYP Information for 2014-2015 School Year:
