

# Title I Schoolwide Plan

Please use the assigned Nebraska Department of Education  
County District and School Numbers in the table below.

*To complete text areas click in grey box and type*

District Name:	NE Unified District #1
County Dist. No.:	02-2001-001
School Name:	Verdigre Middle School
County District School Number:	02-2001-10
School Grade span:	7-8
Preschool program is part of the Schoolwide Plan. (Mark appropriate box.)	<input type="checkbox"/> Yes x <input checked="" type="checkbox"/> No
Summer school program is part of the Schoolwide Plan. (Mark appropriate box.)	<input type="checkbox"/> Yes x <input checked="" type="checkbox"/> No
Indicate subject area(s) of focus in this Schoolwide Plan.	<input checked="" type="checkbox"/> Reading/Language Arts x <input checked="" type="checkbox"/> Math x <input type="checkbox"/> Other (Specify) _____
School Principal Name:	Chuck Kucera
School Principal Email Address:	chuckkucera@neunified1.org
School Mailing Address:	201 S. 3rd St. Verdigre, NE 68783
School Phone Number:	402-668-2275
Additional Authorized Contact Person (Optional):	Bev Krutz
Email of Additional Contact Person:	bevkrutz@neunified1.org
Superintendent Name:	Dale Martin
Superintendent Email Address:	dalemartin@neunified1.org
Confirm that the Schoolwide Plan will be made available to the School District, Parents and the Public.	<input checked="" type="checkbox"/> x Yes <input type="checkbox"/> No

Assessments used in the Comprehensive Needs Assessment <i>(ie. NeSA, MAP, ITBS, AIMS web, DIBELS, CAT etc.)</i>	
STATE ASSESSMENT	
MAP	
STAR READING/MATH	

*Please write a narrative in each box below to correspond to the Rating Rubric.*

*Place documentation in corresponding folder on flash drive to support the narrative.*

### 1. Comprehensive Needs Assessment

<b>1.1</b>	<i>Please provide a narrative below describing how disaggregated data was used in the analysis from the needs assessment to plan instruction. Provide supporting documentation in the corresponding folder.</i>
Instructional decisions at the Unified District & Northern Tier Consortium are made based on student data	

<p>that has been collected &amp; analyzed. Instructional strategies are determined after the subgroup data has been analyzed by our Data Committee &amp; School Improvement Committee. Subgroup data are disaggregated using ESSA requirements of; gender, socio-economic (poverty), ELL, Special Education (ILCD), ethnicity, mobility &amp; drop-out.</p>	
<b>1.2</b>	<p><i>Please provide a narrative below that describes how the building gathered information from parents and community to identify the needs of the school. Provide supporting documentation in the corresponding folder.</i></p> <p>Parent Surveys were used to survey parents of grades 3-8 students. We put a link on to the school website and then sent out the access information via our emergency alert system to all of the applicable parents. The compiled results were shared with parents &amp; Boards of Education. Staff developers from our ESU led our staff in a review of the data which then led to coming up with strengths, challenges, and implications.</p>
<b>1.3</b>	<p><i>Please provide a narrative below that explains how the Continuous School Improvement Plan identifies ongoing improvement efforts. Provide supporting documentation in the corresponding folder.</i></p> <p>The School Improvement goals for Nebraska Unified District #1 are:</p> <ul style="list-style-type: none"> <li>· Students will provide reliable performance data to analyze to complete triangulation of data</li> <li>· All students who participate in the State assessments will meet the MET or EXCEEDS level at 85%.</li> <li>· Students will improve their reading skills and strategies to comprehend interpret &amp; analyze text</li> <li>· Students will improve their math skills and their ability to utilize strategies to solve problems</li> <li>· All students will improve academic achievement by creating and implementing a common language of instruction to be used across the district.</li> </ul> <p>The school-wide plan supports the school improvement efforts by providing teachers with training and skill development through the Northern Tier, ESU, NDE, and other sources, as well as additional data and checks on progress. By working in conjunction with the school-wide program we are able to focus our efforts on reading and math skills that are currently in need of extra attention.</p>

## 2. Schoolwide reform strategies

<b>2.1</b>	<p><i>Please provide a narrative below that describes the strategies in the schoolwide plan to address the needs of all children, particularly those at risk of not meeting the challenging state academic standards and how the school regularly monitors and revises the plan based on student needs. Provide supporting documentation in the corresponding folder.</i></p> <p>Since Reading Comprehension continues to be one of the main focuses for school improvement, our school district has trained all teachers on Marzano Instructional Leadership Strategies that will be utilized in the 7-8 classrooms and benefits all students. It is our philosophy that Reading is the most important curriculum in the school. MAPS and state Assessments guide interventions in the classroom. Students are motivated to improve scores by setting goals and rewarded by reaching them or showing improvement. Verdigre provides 2 - 50 minute periods of interventions for struggling students daily. The Student Assistance Team is designed to set plans in place for students that teachers have identified as needing extra support. Meetings are held with parents, teachers, and students to develop a plan to improve academic or behavioral performance in the classroom. Follow up meeting are conducted to continue or modify interventions depending on results.</p>
------------	--

### 3. Qualifications of instructional paraprofessionals

<b>3.1</b>	<i>Please provide a narrative below explaining the procedure used to make sure that all instructional paraprofessionals in the school meet the ESEA requirements. Provide supporting documentation in the corresponding folder.</i>
<p>Nebraska Unified District #1 uses the Project Para Program to provide computer-assisted training for all our paraprofessionals. Bev Krutz, our Title I Coordinator, provides the leadership needed to train all our paraprofessionals so they meet NCLB requirements. All of our paraprofessionals are involved in ongoing training opportunities throughout the school year. Along with Unified District in-services, we also provide our paraprofessionals the opportunity to attend paraprofessional meetings &amp; workshops, that are offered by the Department of Education &amp; ESU Service Unit. Also, paraprofessionals who work with students with autism will or have already attended Autism workshops.</p>	

### 4. High quality and ongoing professional development

<b>4.1</b>	<i>Please provide a narrative below explaining how professional development and other activities for teachers to improve instruction and use of data from academic standards is provided for your school. Provide supporting documentation in the corresponding folder.</i>
<p>Our School Improvement Plan focuses on the administration sharing responsibilities associated with School Improvement Committees: School Improvement, Data, Curriculum, &amp; Staff Development. Our Staff Development Committee is responsible to focus on workshops &amp; in-service opportunities that are associated with our School Improvement Goals. These opportunities are made available to all employees of our school district.</p>	

### 5. Strategies to increase parental and family engagement

<b>5.1</b>	<i>Please provide a narrative below explaining how the school-parent compact is jointly developed with parents. Provide supporting documentation in the corresponding folder.</i>												
<p>Parents, teachers, and students are involved in developing the compact. The plan will be reviewed on a yearly basis to assure that all responsibilities &amp; roles are fulfilled. The following parents, teachers, &amp; students make up our compact:</p> <p>Due to NDE April 1st Updated: July 2015</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 33%;">Teachers:</td> <td style="width: 33%;">Shelly Mlnarik Clearwater</td> <td style="width: 33%;">Kristen Johnston Orchard</td> <td style="width: 15%;">Bev Krutz</td> </tr> <tr> <td>Verdigre</td> <td>Parents &amp; Patrons: Shelly Mlnarik Clearwater</td> <td>Candice Hoke Orchard</td> <td></td> </tr> <tr> <td>Jenny Kucera</td> <td>Verdigre</td> <td></td> <td></td> </tr> </table>		Teachers:	Shelly Mlnarik Clearwater	Kristen Johnston Orchard	Bev Krutz	Verdigre	Parents & Patrons: Shelly Mlnarik Clearwater	Candice Hoke Orchard		Jenny Kucera	Verdigre		
Teachers:	Shelly Mlnarik Clearwater	Kristen Johnston Orchard	Bev Krutz										
Verdigre	Parents & Patrons: Shelly Mlnarik Clearwater	Candice Hoke Orchard											
Jenny Kucera	Verdigre												
<b>5.2</b>	<i>Please provide a narrative below explaining how the school level Title I Parent and Family Engagement Policy or Procedure was developed with parent and family input. Provide supporting documentation in the corresponding folder.</i>												
<p>Our Parent Policy – #3305 is reviewed &amp; updated on an annual basis at the annual parent meeting.</p>													
<b>5.3</b>	<i>Please provide a narrative below explaining how, when and where the annual Title I parent meeting is/was held informing parents of the school's participation in Title I. Provide supporting documentation in the corresponding folder.</i>												
<p>The Verdigre Title I Annual Parent Meeting was held on Thursday, September 22, 2017.</p>													

## 6. Transition Plan

<p><b>6.1</b></p>	<p><i>Please provide a narrative below explaining the school's transition plan from early childhood education program(s) to the elementary school. (Not required for middle or high school programs) Supporting documentation may also be placed in the corresponding folder.</i></p>
<p><b>6.2</b></p>	<p><i>Please provide a narrative below explaining the school's transition plan from elementary to middle school. (Not required for middle or high school programs) Supporting documentation may also be placed in the corresponding folder.</i></p>
<p>Nebraska Unified #1 is comprised of three small schools (Clearwater, Orchard, &amp; Verdigre) that have the maximum of 15- 20 students per grade level. Therefore, the transition process is not a major concern because teachers &amp; paraprofessionals know all our students in grades K-12. We do use a written SAT Process that communicates areas of concerns to those responsible for the child's education &amp; then set up a plan to meet the students' needs. We also use a written MDT &amp; IEP process that will meet students with special needs. A smooth transition is provided for students who graduate from high school &amp; enter the world of work or enroll in college as quality Career Awareness, Vocational, &amp; Mentoring Programs are made available to all students. Administrators also use an approved documentation form when working with students who demonstrate discipline or emergency behaviors. When necessary, Educational Service Unit #8 &amp; Educational Service Unit #1 will be asked to provide professionals in the area of Psychology, Special Education, Behavioral Specialist, Nursing, Staff Development, &amp; other areas.</p> <p>Our school transition plan provides students, parents, &amp; school personnel with varied contacts before school starts as well as during the school year. This purpose of this Plan is to assist &amp; support children from one educational experience to another. To ease the transition from sixth grade to seventh grade, we schedule a sixth grade registration night where students &amp; parents get the opportunity to visit the classrooms &amp; register for classes prior to the start of a new school year.</p>	
<p><b>6.3</b></p>	<p><i>Please provide a narrative below explaining the school's transition plan from middle school to high school. (Not required for elementary or high school programs) Supporting documentation may also be placed in the corresponding folder.</i></p>
<p>Our site-based administrators provide a well-organized orientation program for new students &amp; their parents. Prior to the new school year, parents &amp; students are invited into the school to meet some of their teachers, to familiarize them to the school programs &amp; schedules, review the school calendar, &amp; give a general walk through of the school facilities. If the student has needs that require special accommodations; school programs, equipment, or schedules, those arrangements can be made prior to the student reporting to school. If a new student arrives during the school year, the site-based administrator will set up a meeting time for the student &amp; parents to meet teachers &amp; support staff, to familiarize them to the school facility, academic/activity program &amp; classroom schedules.</p>	
<p><b>6.4</b></p>	<p><i>Please provide a narrative below explaining the school's transition plan from high school to postsecondary education. (Not required for elementary or middle school programs) Supporting documentation may also be placed in the corresponding folder.</i></p>

## 7. Strategies to address areas of need

<b>7.1</b>	<i>Please provide a narrative below explaining how the Schoolwide Plan increases the amount and quality of learning time within or beyond the instructional day. Provide supporting documentation in the corresponding folder.</i>
<p>Nebraska Unified District #1 at Clearwater, Orchard, &amp; Verdigre all have tutoring programs in place to address students who were having difficulty reaching proficiency levels in all core areas. Poverty Funds are used to finance the program at a cost of approximately \$7,500. Certified teachers &amp; paraprofessionals are employed by our district to work with students, who have been identified by their classroom teachers, as students who are in need of additional academic assistance to meet proficiency level on all core curriculum assessments. Tutoring is available in the middle school when needed per classroom teacher request.</p>	

## 8. Coordination & integration of Federal, State and local services & programs

<b>8.1</b>	<i>Please provide a narrative below explaining how coordination and integration of Federal, State and local funds are used to support student learning. Supporting documentation may also be placed in the corresponding folder.</i>
<p>Nebraska Unified District #1 &amp; the Northern Tier Consortium funds will support our School Wide Program as well as our School Goals. We will continue to use Title I and General Fund resources to improve student achievement in mathematics. Nebraska Unified District #1 will use all the Title I Funds &amp; General Funds to support the improvement of student achievement in Reading Comprehension. Items purchased for Title I are purchased using Poverty Funds. *Title I teachers' salaries are the main budget item.</p>
